

Group Stakeholder Pension Plan

Member application form

Thank you for applying for your Retirement Solutions Group Stakeholder Pension Plan. You'll need to complete this application form to apply for your plan which will form part of your employer's group pension plan with Royal London.

1 Important information

Please read this section carefully before completing this application form.

- Please use BLOCK CAPITALS and black ink when completing this form.
- Your Retirement Solutions Group Stakeholder Pension Plan will be written under the provisions of the Pension Schemes Act 1993, Part 4 of the Finance Act 2004 (as amended) and Part 1 of the Welfare Reform and Pensions Act 1999.
- Please note that throughout this form we'll use the term "employer", which includes any other sponsor of the group pension plan with Royal London.
- If we receive a contribution before we're satisfied that we have all the information we need to apply it, we won't invest the contribution for the first 30 days. If after 30 days we have not received all the information we need to apply it, we'll invest your contribution as detailed in the **Group Stakeholder Pension Plan booklet**.
- If you're transferring an existing pension into your plan, one of the questions that you'll need to answer within this form refers to an 'insistent client'. This term is used when a client receives a recommendation from their adviser advising them not to proceed, yet they insist on going against this recommendation and continuing with the transfer.
- If any of your personal circumstances change once you've completed this form and before your plan starts, you must tell us.
- If you're intending to transfer an existing pension into your plan, you'll need to tell us in section 4 of this form if you have a Protected Pension Age (PPA) under the transferring scheme. **If you are making multiple contributions into your plan including a transfer payment with an individual PPA or if an individual PPA applies to only part of the transfer payment, a separate plan will be required if you want to keep the PPA entitlement. This is because transfer payments from schemes with an individual PPA must be ring-fenced in a separate plan with Royal London. Where a separate plan is required you'll need to complete our Pension Portfolio application form (65A49) with details of the individual transfer payment with the PPA entitlement.**
- You should keep a copy of this application form and any additional forms you send to us. When you take out your plan, you'll receive a copy of the **Plan booklet** detailing the terms and conditions of your plan. If you'd like to see a copy of the **Plan booklet** now, you can request a copy from us at any time.

6 Death benefits

Please read this section carefully.

If you die before taking all your retirement savings under your plan, the value of your plan will be paid out in accordance with the rules of The Royal London Stakeholder Pension Scheme (No 2).

We (Royal London, the administrator of the above scheme) will use our discretion when deciding who should receive the value of your plan in the event you die before taking all your retirement savings. You can use the table below to tell us who you would like your retirement savings to be passed onto. Any nomination is not legally binding but we'll seek to follow your wishes. We will however, make changes if we feel it is right to do so. For example if your personal circumstances had changed since you last updated your beneficiaries, such as divorce or separation. It's therefore very important that you let us know if you wish to change your nomination at any point.

By distributing the value of your plan in this way, it means that the payment will not normally be subject to inheritance tax.

Full name	Connection to me	Proportion %
Total	N/A	100%

Example table below

Full name	Connection to me	Proportion %
Mr John Sample	Spouse	33.34%
Miss Rachel Sample	Child	33.33%
Mr James Sample	Child	33.33%
Total	N/A	100%

Need more space? Please tick the box and provide any extra nominations or additional information on a separate piece of paper. This should be signed, dated and attached to this form. ☐

When completing this application form, you should discuss with a financial adviser other ways in which the value of your plan could be paid out. For example, you could direct us to make the payment to a named person. However, we would be legally bound by that nomination and if, at a later date your personal circumstances change and you forget to tell us, we would be legally bound to make the payment to the nominated named person that we hold on our records (which could, for example, be an ex-partner). The payment may also be subject to inheritance tax.

If you would like your death benefits to be paid in a different way, please make a request in writing.

When we're notified of your death, we'll explain to your beneficiaries the different ways in which pension savings can be paid to them. We only use this information to pay the pensions savings in the event of your death. Please make sure your beneficiaries are aware of how we use their information. Remember that when you're choosing, you can't choose who any remaining money can be paid to when your beneficiaries die.
